

## Hotel V...

A GREAT SMALL HOTEL ON THE COAST OF CADIZ

**H**otel V... is an enchanting hideaway in southern Spain where romance embraces you and time stands still. The renovated 17th century structure sits on an unparalleled location on the highest point of the village of Vejer de la Frontera, overlooking the awe-inspiring surrounding countryside and windswept beaches of Cadiz, as well as the Moroccan skyline. Sip a cocktail on the terrace and admire the 360° views of the stirring landscape and the Atlantic Ocean. Providing a truly intimate atmosphere, the boutique hotel offers a selection of 12 intimate guestrooms that meticulously blend history with comfortable modern amenities. Typical are extra-large beds, antique Portuguese furniture, contemporary open floor plan bathrooms with heated floors and modern fittings. Partake in a truly renewing experience with an indulgent spa treatment at Hotel V... Located in the old well of the 17th century hotel, the spa is a tranquil retreat at the bottom of a glass spiral staircase. Immerse yourself in customized aromatherapy. Feel transformed by a massage

tailored to fit your needs. Hotel V...’s rejuvenating Ayurvedic treatments, practiced in India for more than 3000 years, are the perfect complement, also available in the privacy of your room. Many other activities can be arranged, from cooking and sherry classes to kite surfing lessons. Hotel V... has been featured in top publications with rave reviews since opening in 2008. The hotel is also available to be rented in its entirety as a vacation rental or for special occasions. For those desiring the total privacy of a vacation home, this 17th century Spanish residence is an enchanting alternative to the usual hotel experience. Hotel V... is also the ideal location for holding an unforgettable small wedding, celebrating an undeniably romantic honeymoon or just gathering with friends and family for a memorable getaway in magnificent Andalusia.
